This is the home page of the application

Welcome to Car Price Predictor

This app predicts the price of a car you want to sell. Try filling the details below:

Select the company:
BMW

Select the model:
BMW X1

Select Year of Purchase:
2016

Select the Fuel Type:
Diesel

Enter the Number of Kilometres that the car has travelled:
234567

Predict Price

This app predicts the price of a car you want to sell. Try filling the details below:

Select the company:
BMW

Select the model:
BMW X1

Select Year of Purchase:
2016

Select the Fuel Type:
Diesel

Enter the Number of Kilometres that the car has travelled:
234567

Predict Price

Prediction: ₹1051381.77
